***Proof of residence in the UK**

The proof of residence in the UK should evidence that you were resident in the UK for at least 6 months in any 12 month period for a continuous period of 5 years. Maximum 10 documents can be uploaded, hence, it is better to provide as many as possible documents which cover a longer period of time. At least one piece of evidence is required for every month of residence.

Examples of Documents covering a longer period of time

Council Tax bills (usually covers 1 year),

Annual Bank Statements(would cover 1 year),

Employer's letter (with their Companies House Registration number) confirming your employment in the UK and the period of employment

Invoice plus Payment evidence for education/training **or** a Letter from Educational institution (school, college, university, other accredited educational/training organisation), confirming the dates of enrolment, dates you have attended and completed your course.

Student Loans Company or Student Finance Body letter showing your UK address

Residential Mortgage statements plus evidence of mortgage payments

Tenancy Agreement plus evidence of rent payments

Registered Care Home letter confirming the period of residence in the Care Home

Evidence of Employer Pension contributions

Annual Business accounts, if you are Self employed

P60 and/or P45 issued by UK employer
