Request additional CoS or CAS

Help (opens in a new window) Request additional CoS or CAS

The table below displays your current and outstanding requests for additional CoS or CAS. If you do not have any current allocations for which additional CoS or CAS can be requested, nothing will be displayed. Choose:

- **Add** to add a new request for the relevant route;
- **Edit** to edit a request that has been saved but not yet submitted;
- **Withdraw** to withdraw a request that has been previously submitted and is still outstanding; or
- **Cancel** if you do not want to continue.

When you have added your request(s) for additional CoS or CAS, choose **Submit**.

Any additional CoS/CAS requested and granted will expire on the same date as your current annual allocation in that route.
